# Precautions

1. All of our tiles are handcraft, with each piece featuring unique patterns, colors, and curves. Perfectionist should consider it before ordering.
2. If stained with colored substances such as tea, coffee, soy sauce, or ink, it may penetrate into the inner of the tile. Please handle it immediately; using neutral detergents to clean instead of acidic cleaners.
3. When the tile surface is wet, please dry it immediately to avoid the risk of slipping.
