Handcraft Tiles Catalog

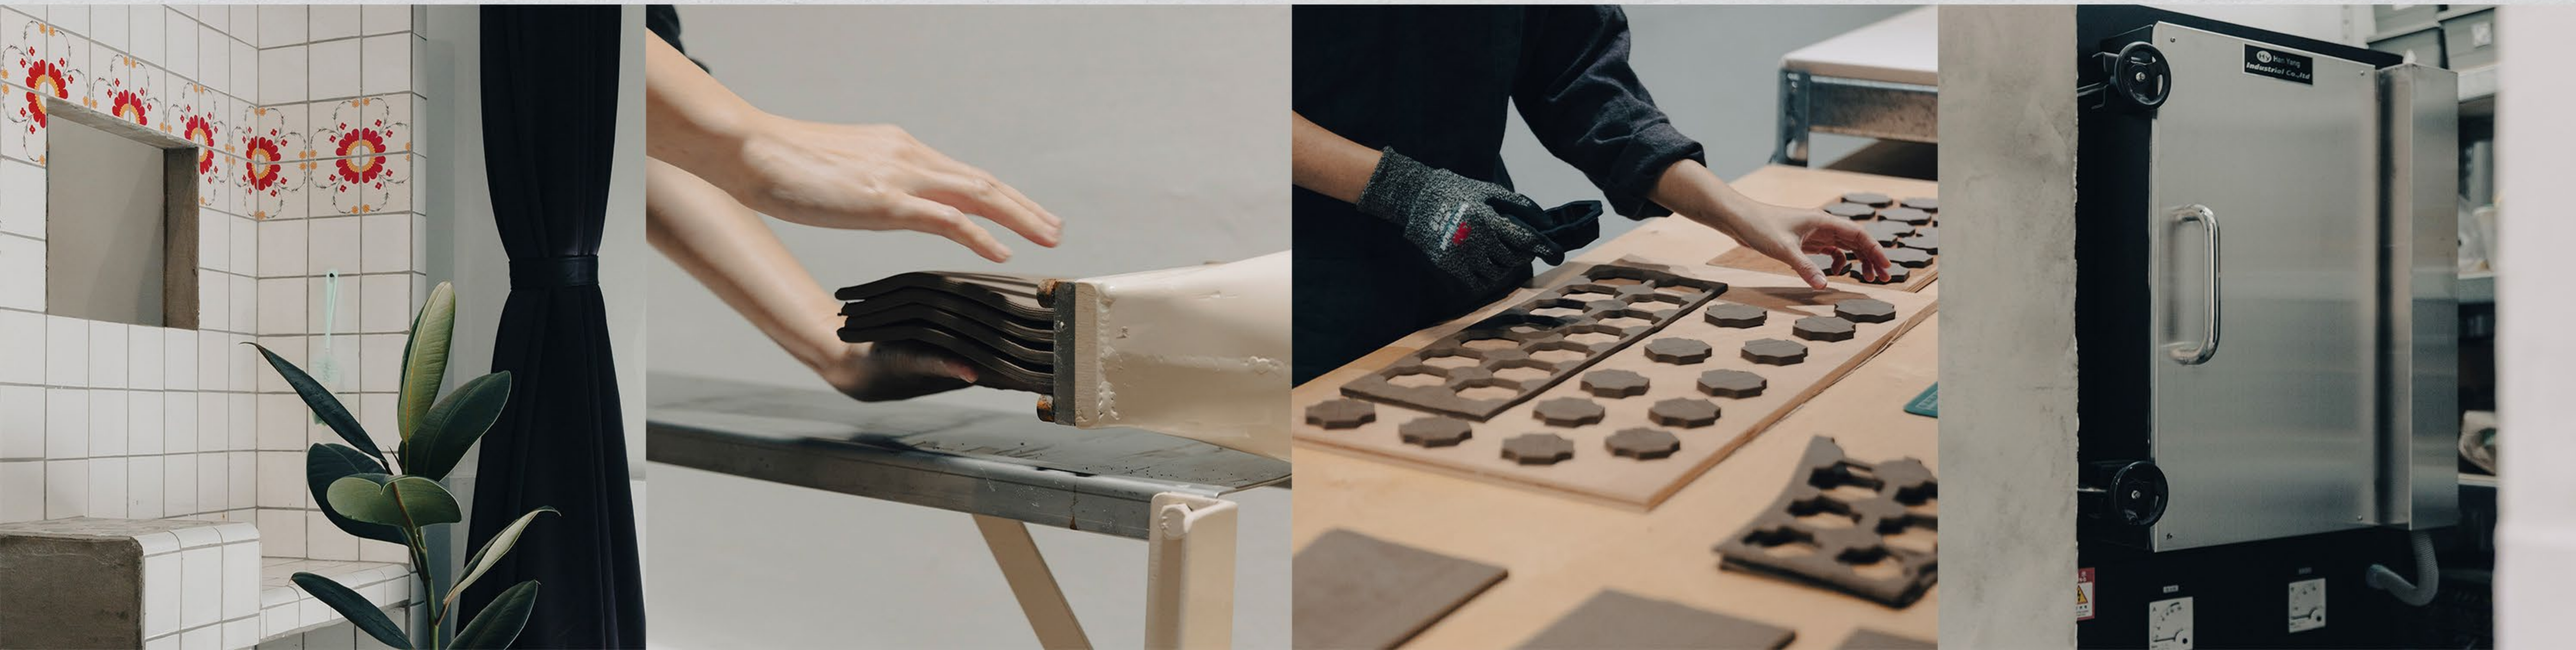

About Us

"From the recording and reproduction of traditional ceramic tiles, reflecting the most sincere aesthetic experience of Taiwan."

The character "潘" pronounced as "pan", is the ancient character of "wall." By handcrafting mosaic tiles that have been out of production in Taiwan for over 50 years, analyzing its glaze, shapes, and materials in relation to the multiple contexts of aesthetic and history, creating a new generation of locally distinctive tile designs.

Offering diverse customized ceramic tile services, bringing a unique visual experience to your space!

Precautions

1. Each piece of handmade tile features unique patterns, colors, and curves. Perfectionists should consider this before ordering.
2. If stained with colored substances such as tea, coffee or ink, it may penetrate into the inner of the tile. Please handle it immediately by using neutral detergents to clean, rather than acidic cleaners.
3. Please dry the tile surface immediately when it is wet to avoid slipping.
